

The National Electrical Contractors Association
& the Oregon-Columbia Chapter, NECA, Present:

Advanced Construction Law

Wednesday, March 14, 2018, 8:00 am - 4:00 pm,
Oregon-Columbia Chapter, 601 NE Everett St, Portland, OR 97232

\$315 per-person for Chapter Members

Participants will look step-by-step at the life of a construction project, addressing the legal rights and responsibilities of project team members while discussing basic legal principles of contract formation and the legal aspects of subcontract negotiation and project performance. Key topics include negotiating favorable subcontract terms, documenting and proving claims, calculating damages, insurance and warranty issues and bonds and liens.

- Following this course, participants will be able to:
- Describe legal principles of contracts, subcontracts, and projects
- Give examples of contract management responsibilities, rights and risks
- Analyze a situation involving professional, legal and ethical issues to determine an appropriate course of action.

This course will be facilitated by Gerald I. Katz, esq.
